

**STATEMENT OF ARDY KASSAKHIAN**  
**CANDIDATE FOR CITY COUNCILMEMBER,**  
**Regular and Unexpired Terms**  
**(Unexpired term ending March 3, 2022)**  
**GLENDALE CITY GENERAL AND SPECIAL MUNICIPAL ELECTIONS**

Age: 43

Occupation: City Clerk/College Professor

I'm a 30 year resident of Glendale, husband, father and someone who cares deeply about our city. It has been my honor to be elected four times by the voters of Glendale as your City Clerk to serve the community that I love and where we are raising our family.

Like you, I have watched our city grow and change and the impact it has had on our quality of life. I've witnessed what Glendale was, what it is, and what it is becoming. But most importantly, I know what it can be if we work together.

I will fight to make sure our council focuses on:

- Protecting our neighborhoods by giving public safety personnel the resources needed to keep us safe
- Building climate change resiliency and environmentally sustainable practices across all city services
- Increasing affordable housing for seniors and low-income residents
- Addressing traffic congestion and mobility issues
- Advocating for districted elections and publicly funded campaigns

Given my breadth of experience, I know our city's strengths, and I know where it needs improvement. I'm ready to roll up my sleeves to bring common sense solutions to these challenges.

I humbly ask for your vote for City Council.
