

STATEMENT OF GREG ASTORIAN
CANDIDATE FOR CITY COUNCILMEMBER,
Regular and Unexpired Terms
(Unexpired term ending March 3, 2022)
GLENDALE CITY GENERAL AND SPECIAL MUNICIPAL ELECTIONS

Occupation: Independent Business Owner

The only endorsement that matters on March 3rd is your vote. As a 43-year resident, I have been a strong supporter for a better quality of life in Glendale. I intend to make an impact on:

- Public Safety- Safeguarding the threat of wildfires and unsafe driving in our streets can only be lessened by supporting Firefighters, Police, and Paramedics.
- Traffic Congestion- Addressing speeding and suffocating traffic require traffic engineering and strict enforcement.
- Housing- Providing affordable housing to our seniors, Veterans, Millennials, and lower income working families; and for our homeless and houseless.
- Environment- Ensuring cleaner air by using renewables, which I have been fighting for many years.

I am a home owner advocate and believe in fiscal responsibility so that **every** resident benefits. I have been a member of: Salvation Army, Kiwanis and Glendale Fire Fighters Foundation. I am also a City of Glendale Planning Commissioner.

And for my community service, I have been recognized by Congressman Adam Schiff, Former Mayor Frank Quintero, Mayor Najarian, Supervisor Barger, Senator Liu, and Supervisor Antonovich.

The solutions that I offer are based on common sense and facts. I ask for your vote and for the privilege of serving you. Please visit www.GregAstorian.com.
