

**STATEMENT OF JENNIFER FREEMON  
CANDIDATE FOR MEMBER, BOARD OF EDUCATION,  
Trustee Area A  
GLENDALE UNIFIED SCHOOL DISTRICT**

Age: 44

Occupation: President, Glendale Unified School District Governing Board

As your current GUSD School Board President, I am honored to represent our community. I ask for your vote to continue working to ensure our CV area schools continue to grow and thrive.

Our community schools are highly successful, with multiple Blue Ribbon and California Distinguished awards, but there is still much to be done. I firmly believe we need a strong, experienced voice advocating for our area schools to continue improving the quality of our academic programs and ensuring our facilities get their needed improvements. I am a vocal advocate for our community. Whether it is fighting the current vaping crisis in our schools or increasing the college pathways available to CV area students, I am deeply involved in ensuring our schools reflect our Foothill Community values.

My career in education began as a middle school teacher in the GUSD. I am a current, actively involved parent of elementary, middle and high school students in our district. I am uniquely qualified to continue the work of providing a world class education to all of our students and deeply committed to keeping our schools and community closely connected.
