

STATEMENT OF PAULA DEVINE
CANDIDATE FOR CITY COUNCILMEMBER,
Regular and Unexpired Terms
(Unexpired term ending March 3, 2022)
GLENDALE CITY GENERAL AND SPECIAL MUNICIPAL ELECTIONS

Occupation: Councilmember, City of Glendale

I have had the honor and privilege to serve as your Councilwoman and Mayor during the past five years. While I am proud of what has been accomplished during this time, I look to the future for ways to make Glendale even better for its residents, business owners and stakeholders. I am seeking re-election so I can continue my service by listening to and ensuring that your voices are heard and that the City Council focuses on the issues and concerns that are important to everyone in our city.

My priorities for Glendale moving forward include: protecting the integrity of our neighborhoods and historic resources; promoting vehicle, pedestrian and bicycle safety; reducing traffic congestion and implementing alternative transportation options; setting a path for 100% renewable energy by 2030; keeping Glendale fiscally sustainable; and finding common sense solutions for our affordable housing crisis.

Through my participation and leadership on the City Council, as well as with numerous civic and private organizations, I have worked continuously to make Glendale the healthy, safe and exceptional place that it is. For more information, please visit my website at www.VoteDevine2020.com.
